## PERSONAL PRROFILE

Hello. I'm person who has a strong passion for programming. Now I'm improving my skills in this direction and expanding them with new technologies. I spend my leisure time on programming tutorials and improving my English. Also I've interested in music and play in the guitar . Open for your suggestions.

## SKILLS

- HTML5/CSS3
- SCSS/LESS/SASS
- Java Script
- SQL (working with MySQL and OracleDB)
- React/Redux Toolkit
